MISSION STATEMENT

The mission of Little Learners Children’s Center is “To provide a safe and nurturing environment where children learn, grow and thrive.”

PHILOSOPHY

Little Learners is committed to providing the highest level of safety, care and cognitive development. As caregivers, we will ensure the health and safety of all children in our care by providing individual personalized responsive care and affection for each child. We believe that children should learn through their own discovery. Our classrooms are child centered and use hands on activities, discussion, and critical thinking to develop knowledge. Learning will be inquiry based allowing children to connect their learning to the real world. Activities will incorporate multiple intelligences through manipulative items, books, music, and more. We acknowledge that all children learn differently and may need accommodations and modifications. A safe, nurturing, positive environment will be created through a commitment to continued education and a culture of open minded thinking that provides developmentally appropriate learning strategies and to respect all people who enter our facility.

PARENT-TEACHER RELATIONSHIPS

We at **Little Learners** will try to accommodate the children in order to best facilitate new skills and spend their day in a safe and nurturing environment. We also encourage parental involvement. **Little Learners** maintains an open-door policy. Parents are always welcome. Drop-in visits are more than welcome and parents can feel free to arrange conferences at any time. We feel that open lines of communication and lots of parental involvement are essential to the well-being and development of each child in our care. It is only through the interaction of parent and provider that the goal of quality and nurturing care can be achieved.

Keeping parents informed of the activities at our center is important to us. Your child will be sent home with a daily note telling what they did for the day, and periodic newsletters will also be available to keep you informed of upcoming events.

ENROLLMENT

Upon enrollment, parents/guardians must fully complete, initial and sign the enrollment form. The enrollment form should include the hours that the child/ren will attend. Weekly tuition will be based on these hours. In addition staff members will be scheduled according to this form so parents must request a change in hours if necessary, in writing at least two weeks in advance.

Each child entering the center must have an updated physical form, signed and dated by his/her pediatrician, including current immunization documentation. Children who are not school age, must have their physicals updated yearly. Children who are school age, are required to have a physical upon entering Kindergarten and then as required by the school district for which that child attends and acceptable to the local education authority. We will also need to collect a one week's tuition deposit. This deposit is held until the family gives a two week notice in writing and will be applied to their final week of service.

Also upon enrollment, parents will be asked to complete a Family Questionnaire. This is optional but recommended. The information will be used to ensure the best experience for your child/ren. Throughout the course of the year you may also be asked to complete other surveys that the Center will use to improve quality of care.

GENERAL INFORMATION

Clothing Requirements

Little Learners is a place for play and exploration. Throughout the day your child will be participating in art, sensory and outdoor play and therefore clothing should be clothing that they can move freely in as well as get dirty.

On your child's first day please send in a complete set of spare clothes with your child. Spare clothes should all be labeled with the child's name and should include shirt, pants, socks, and underpants.

Weather permitting the children will go outside daily. It is required that all children have appropriate attire for each season. Outdoor play is an important part of the child's development. If your child is well enough to attend school for the day then he/she will be taken outdoors during their scheduled time. Exceptions to this are in the summer when the heat index is too high or in the winter when temperatures are below 20 degrees. In the summer we ask that your child has a swimsuit, towel, water shoes and sunscreen to enjoy water play during those hot days. In winter we ask that all children have heavy coats, snow pants, boots, gloves and a hat for snow play.

Releasing Your Child

Parents must accompany their child into Little Learners Children's Center upon arrival and departure. Children are not to walk from the center to their parent's car unaccompanied.

Written notification and proper identification must accompany any individuals who will be picking up children from the center. Persons approved for pick-up are to be listed on your ***Child Registration Form***.

Custody Issues and Unauthorized Persons

If only one parent has custody of the child (ren) and the other is not authorized to pick up the child, the parent must instruct the provider of this fact and must provide a certified copy of the court order. If any changes occur in the legal custody of the child, the parent must provide written documentation confirming the changes. The custodial parent will be notified immediately if an unauthorized (someone not on any of the forms or a non-custodial parent) person arrives to pick up the child.

Arrival and Departure

Children will miss their parents and often cry upon arrival and departure. It is a natural occurrence and the crying will stop within a few minutes after the parent leaves. It is important that before the parent leaves to take a moment to reassure their child that they will see them later. Concerned parents are encouraged to listen at the door for a few minutes or to make check-up calls from work. Please do not leave your car idling at drop off/pickup.

Drugs or Alcohol

Any child enrolled at the **Little Learners Children's Center** will **never** be allowed to leave with a parent who is under the influence of drugs or alcohol. Other arrangements will be made to ensure that the child gets home safely.

Late Pickups

Over-time will not be an acceptable practice. Children need consistency and thrive on routine. Children look forward to the arrival of their parents. It is a frustrating situation for both the child(ren) and the caregiver when parents are late.

- Two staff over the age of 18 will be present in the building at all times
 - A parent's primary/emergency contact numbers will be called at the time of scheduled pickup or 6:00 p.m. depending on care. Over-time charges will begin to accrue once scheduled pickup time has passed. (\$5.00 for every 5 minutes—payable at time of pickup).
- If no contacts can be made and there has been no contact from the parents confirming a late pickup within 30 min, it will become the **Little Learners'** responsibility to contact the appropriate authorities.
- The **Little Learners Children's Center** is under no obligation to provide extensions of service.

Discipline Policy

The goal of discipline is to help the child develop inner controls so that he/she may move toward appropriate social behavior. Methods for resolving conflicts are:

- **Positive guidance:** When a child or children are not making a good choice the teacher will talk to the child(ren) in a positive, developmentally appropriate way. Praise will be given for appropriate behavior and redirection will occur for inappropriate behavior. Choices will be given if possible. Teachers will reward the child for making the right choice.
- **Setting clear limits-** When the limits of what a child is allowed to do are clear and consistent then behavioral problems are minimized. The rules will be enforced consistently so the child will fully understand what appropriate behavior is.
- **Redirection-** When a child is not behaving appropriately the teacher may redirect a child to a new activity or to a behavior that is appropriate for that time. Praise will then be given for the new choice that child has made.

When disputes arise among children or between a child and teacher, the teacher will encourage a talking out process among those involved. The goal of this talking out process will be to acknowledge feelings and find solutions using children's ideas whenever possible. A child who may be overly aggressive or is repeatedly destructive of other children's work may be asked to make an activity choice in another area if talking things through has not resulted in better self-control.

Staff will continuously supervise children during disciplinary actions.

Staff shall not be abusive, neglectful, or use physical, corporal, humiliating or frightening punishment under any circumstances.

If a child's behavior puts the safety and health of the child, other children, or adults at risk, then the staff will call the parents immediately for pick up. If the behavior continues and the parent has not arrived, staff will call 211 for their Emergency Mobile Psychiatric Services. If 211 is unable to help at that time, 911 will be called. No child shall be physically restrained unless it is necessary to protect the safety and health of the child or another child or adult. The adult restraining the child will be trained to restrain both appropriately and safely.

In an instance where a child's behavior is continually upsetting or dangerous to the caregiver or others, arrangements will have to be made for the child to go elsewhere for care.

HEALTH INFORMATION

Sick Policy

Although Little Learners understands that it is difficult to leave or miss work there will be times when your child(ren) become ill and should not attend the center. If your child exhibits any of the following symptoms they should not attend or will be excluded from Little Learners.

- Any illness or condition or problem that requires one-on-one care; or
- Eye symptoms suspicious of a possible eye infection (redness/discharge, etc.);
- Or is judged to be ill by the staff; the parents/guardians will be called.

If a child becomes ill during the day, the parent will be promptly notified. **The parent must make arrangements to have their child picked up within one hour.** In order to reduce exposure and risk to other children in the day care, the sick child will be isolated (if possible) from the other children until the arrival of a parent or emergency contact. If the parent cannot be reached, the person designated as Emergency Contact will be notified.

Children with acute non-infectious illness may only be brought to **Little Learners Children's Center** if a fever is not present and they are able to participate in activities. The parents of a child with a diagnosed contagious condition (measles, head lice, pink eye, mumps, chicken pox,) must notify the provider as soon as possible.

The provider may have to alert other parents to watch for symptoms in their own child. The provider reserves the right to determine whether a child should remain in the day care when illness is a consideration.

Administrating of Medication

Little Learners Children’s Center is **NOT** required by state regulations to administer medications. Individual considerations will be made regarding the ability of the center to administer any medications. Advance arrangements need to be made before the center will accept the responsibility for the administration of any medications. Parents may administer any legal medication to their own child. There are many State regulations governing the administration of medications in childcare centers. Whenever medications are accepted for administration, the following regulations must be followed

Parents are to provide **ALL** medication administration equipment needed: medication administration devices, droppers, etc. If needed, Little Learners staff may require parental demonstration of medication administration.

ONLY AFTER advance planning and consideration will medications be administered other than topical or oral methods. **ALL** other methods of medication administrations will only be undertaken after individual consideration.

SPECIAL ACTIVITIES

Special Days

Special days are filled with activities (e.g., birthdays, Halloween, Valentine's Day, etc.) We always welcome parents to bring treats, decorations, games, etc. to help celebrate as long as there is enough for everyone. This can be discussed with the provider in advance.

Water Play-

Precautions are taken to ensure that communal water play does not spread infectious disease. No child drinks the water. Children with sores on their hands are not permitted to participate in communal water play. Fresh potable water is used, and the water is changed before a new group of children comes to participate in the water play activity. When the activity period is completed with each group of children, the water is drained. Alternatively, fresh potable water flows freely through the water play table and out through a drain in the table.

Nap Time

After an active morning, a full lunch, and a nice story, the children rest on cots for part of the day. They may lie quietly or fall asleep. The provider reserves the right to insist the child lie down and rest. We require that parents of each child supply a crib sheet and blanket for nap time. Bedding will be taken home at the end of each week to be washed and returned the following week.

Graduation

In June, Little Learners will hold a graduation for preschoolers who will be going to kindergarten in the fall. This is a fun and exciting time for the children.

Thematic Units

As part of the curriculum each week will be accompanied by a theme. The themes will give the week some focus and consistency. The theme list will be posted for parents to see.

HANDBOOK CHANGES

Little Learners may change this handbook and update a policy without notice in order to best facilitate the center.
